WHY YOU SHOULD BUY A HOUSE IN THIS REGION

The quantity and quality of the communication routes that we have around us, allow a fast and effective movement to all the places of greatest interest, otherwise see:

- 20 minutes from the Sanctuary of Fatima;
- 45 minutes from Nazaré (beaches);
- 40 minutes from Coimbra;
- 1h15 from Lisbon Airport;
- 2h from Porto Airport;
- A13 and A23 with direct access to Spain.

This region has always been a nerve center since the time of the Romans, proof of this is the fact that Tomar is the capital of the TEMPLARS and a lot of history as well as monuments is scattered throughout this region, to add we also have:

- The third largest lake in the country (Albufeira de Castelo do Bode);
- An endless amount of River Beaches;
- Nature, mountains, countryside, clean air, absence of transits;
- Pedestrian circuits, mountain biking, and various water sports on the Lake.

This is still an economic region of the country to live in, both in terms of the cost of acquiring real estate, building and rebuilding real estate and even the cost of living itself.
